## Profile

Started my career in field of education being double Master. But the zeal being in the field of fashion took me to Mumbai, where I joined **Sh. Subhash Shinde** renowned international and Bollywood makeup artist and did diploma in “**PROFESSIONAL MAKEUP ARTIST & HAIR STYLIST**” from **SUBHASH SHINDE INTERNATIONAL MAKEUP ACADEMY, MUMBAI.**

## Experience

The experience of the work in film industry, bridal makeup, fashion. I did work for many celebrities as a freelancer makeup artist.

Now, working as freelancing makeup artist with a very enthusiastic and Artistic Team and performing up to the core.

I have proved working in different field of industries by using following techniques :-

- **Fashion:** Fashion maker is used in magazine photography as well as on fashion runway. Avant-garde makeup is also applicable technique.
- **Special Effect:** This technique exhibit meta-physical characteristics as well as fantasy makeup, prosthetics is also used in the types of makeup.

## Bridal Make Up

For ethnic to glamorous to contemporary I do all type of bridal makeup in wedding. Minerals are also used to give skin a florist finished.

## Air Brushing

The use of an air brush which is small air operated device. The sprays various media some products and water based makeup by a process of nebulization. It has recently been popularised by the advent of HDTV and digital photography where the camera focused on higher depths of detail. Liquid foundation that are high in coverage but thin in consistency are applied with the air brush for full coverage without heavy build-up of product.
